
HC600 On Demand Grinder

On Demand Grinder

Consistency is the most important factor to consider when preparing espresso based drinks. This is why we have the H600 On Demand grinder which consistently doses the perfect amount of coffee for a single or double espresso.

With an on demand grinder there is no need to worry about dosing the right amount of coffee, something which can vary from barista to barista, meaning you get consistent espressos all day long.

HC600 On Demand Grinder
